Do you enjoy repairing things?

If so, perhaps you might get involved in the new 'repair cafe' that will be run at HBC on Saturday 6th December. Organised jointly between HI Sustainability and the Eco Groups at HBC and St Andrew's, people will be encouraged to bring items in need of repair and have an experienced volunteer look to fix them. There is a pool of experienced repairers we can draw on, but as a new cafe in the village we are keen to bring in fresh local faces to work alongside them. If you might be interested, do have a chat or get in touch with me. What is involved is explained at: <https://cambridgecarbonfootprint.org/what-we-do/repair-cafes/repair-with-us/> **Tony Russell**

Book Offer!

Last Sunday I gave out quite a few copies of my recent small book on the spirituality and missionary work of the Moravians - a movement that inspired others such as William Carey. I've unexpectedly had so many complimentary copies from the printer that I can give out more! Please see me if you would like a copy. **Ian Randall**.

Epic Cycle Ride

This month marks one year since Nigel Burman's tragic and sudden death from a brain aneurysm. In his memory, Ana is cycling the length of the UK - from John O'Groats to Land's End - and raising money for the charity that supports families affected by aneurysms - the HBA.

Ana will be very grateful for any support you give her be it by praying, contributing using the link below, or by sending good wishes.

There is a WhatsApp group for those who wish to accompany her journey - please let **Zara** know if you would like to be added to the group.

A big thankyou to all who have prayed for me, fed me, visited me and sent messages following my recent surgery.

I have been very grateful for all your support. I am making a slow recovery but am making progress! I really welcome your prayers, and value being part of such a loving church family. **Sheila**

Happy Birthday to Joy McAlpine Black (24th), Stephen Middleton, Stewart Middleton and Matthew Robinson (30th)
